

CALL FOR PAPERS

2026 IEEE International Power and Renewable Energy Conference (IPRECON) is the 4th edition of India's first and only IEEE IAS Club of 6 Technical Paper Conference organized by IEEE Student Branch College of Engineering Karunagappally (IEEE SB CEK) technically sponsored by IEEE IAS and IEEE PES. IPRECON provides a platform for students, researchers, and professionals from all around the world to share their findings in the fields of Power Systems, Renewable Energy, Electronics, Artificial Intelligence, and Data Science with the theme **"Advancing Power and Renewable Energy Systems through AI, Computing, and Emerging Technologies"**. The conference will be held on the **4th, 5th and 6th September 2026** at College of Engineering Karunagappally, Kerala, India.

IMPORTANT DATES

15TH SEP 2025	PAPER SUBMISSION OPENS
15TH DEC 2025	PAPER SUBMISSION CLOSES
30TH APR 2026	NOTIFICATION OF ACCEPTANCE
30TH JUN 2026	CAMERA READY PAPER

4TH, 5TH & 6TH SEP 2026

TOPICS OF INTEREST

Technical Papers are solicited on subjects pertaining to the scope of the conference that includes, but not limited to the topics

- Power and Energy Systems
- Renewable Energy and Storage
- Power Electronics and Control
- Computing, Artificial Intelligence, and Data Science for Energy Systems
- Electronics and Embedded Systems
- Emerging Technologies and Interdisciplinary Solutions

PAPER SUBMISSION

Authors are invited to submit 6-page full paper in standard IEEE format for review. The conference proceeding will be submitted to the IEEE Xplore® Digital Library.

20% of the presented conference papers will be eligible for further review and possible publication in the IEEE IAS periodicals (Transactions, Magazine)
